ADMINISTRATION

Mr. William C. Parrish, Principal

In the fall of 1958, Robert E. Lee High School opened its doors for the first time. At this particular time the members of our Senior Class were launching their educational careers by entering the first grade. Both the Seniors and Lee have come a long way since that autumn day. The Seniors have grown up and Lee has become a highly respected school offering quality education.

The faculty at Lee takes very seriously its responsibility for preparing students for college, vocations, and various other pursuits. Lee's history spans twelve years—a period of time that encompasses our Seniors preparation for the future. I trust that the foundation provided here at Lee will enable each Senior to meet the future with courage and success. On behalf of the faculty and under-classmen I want to extend congratulations and best wishes to the Class of 1970.
